

Paul Explains Christians' Relationship With Christ

Lesson 13

God's power saves us.

"For it is by grace you have been saved, through faith—and this not from yourselves, it is the gift of God—not by works, so that no one can boast" (Ephesians 2:8-9).

We learned this week that without God's power and grace, we would have no chance of entering heaven (Ephesians 1:15–2:10). Strengthen your family's faith learning and growth at home with this easy idea:

Parents: Talk with family members about good things in your lives. For example, someone might mention the joy of having good friends. Or someone might talk about all the blessings your family has, such as a warm house and good food. Explain that all good things come from God—they are his grace at work. This week, commit to looking for all the good things in your lives. Each time you see one, stop and thank God for his goodness and grace.

God, we know that without your grace, we would never be able to have a relationship with you. Thank you for saving us from life without you. Please remind us of your amazing grace each day. In Jesus' name, amen.
